Education

Feb 2017-May 2022 **B.Sc in Electrical and Electronic Engineering**
American International University- Bangladesh
CGPA - 3.84/4

Research Interests

- Design Verification
- Analog and Mixed-Signal
- System-on-Chip (SoC) Integration
- IC Design
- Fabrication and Testing
- Embedded systems
- Hardware Security

Research and Publications

- | | |
|--|--|
| Presentation and Conference Paper
12 Jul - 14 Jul 2024 | Mostah Tahmid Ahmad, Shakibul Islam, Debanjolly Mollik, Anika Tasnim, Md. Abdur Rahman; "Design and Implementation of a Smart Indoor Substation Monitoring and Control System Based on IoT," IEEE 2nd International World Conference on Communication & Computing-2024(IEEE WCONF 2024), DOI: 10.1109/WCONF61366.2024.10692077 |
| Conference Paper
6 Nov 2023 - 8 Nov 2023 | Md Abid Hasan, Nirjhor Tahmidur Rouf, Md Sajid Hossain, Lamia Binta Latif, Anika Tasnim, Marcin Grzegorzec; "A Location-Independent Flood Prediction Model for Bangladesh's Rivers," 2023 IEEE 35th International Conference on Tools with Artificial Intelligence (ICTAI), Electronic ISSN: 2375-0197, DOI: 10.1109/ICTAI59109.2023.00028 |
| Undergraduate Thesis
Jan 2021 - Jul 2022 | Iot-Based Substation Monitoring & Control System <ul style="list-style-type: none">• Developed an IoT-based indoor substation monitoring and control system with remote sensors to track temperature, voltage, power factor, and load current.• Enabled automated operations and remote control via a mobile application for improved efficiency and convenience.• Designed with a focus on safety and cost-effectiveness, successfully achieving all project goals |

Work and Project Experience

Ulkasemi Pvt Limited

Senior Engineer, Design Verification
February 2022 - Ongoing

- **Design Verification Projects**
 - Developed and implemented UVM-based testbenches for SPI Master, AMBA AHB, APB, and I2C Slave protocols, utilizing UVM Register Abstraction Layer (RAL) for efficient modeling
 - Designed and executed test plans to validate functionalities, identify corner cases, and achieve maximum functional and code coverage
 - Conducted regression tests with Bash scripting, integrated assertions and collaborated with design teams
- **ATE Testing Training**
 - Acquired knowledge in digital testing methodologies by developing tests for the ATE machine, focusing on theoretical aspects of VCD file conversion for ATE pattern generation

- Collaborated with engineers in online ATE environments

**Internship | Bangladesh Power Development Board-BPDB
Ghorashal Power Station**

Oct 2021- Nov 2021

Technical Skills

- **Programming & Scripting:** Verilog, SystemVerilog, C, and Bash scripting
- **Verification & Methodologies:** UVM, UVM Register Abstraction Layer, and assertion-based verification, code coverage, and functional coverage techniques.
- **Protocols & Standards:** AMBA-APB, AMBA-AHB, SPI, and I2C protocols; familiar with DDR4, DFI, and UCIe.
- **Software:** Cadence Incisive, IMC, ICCR, ModelSim, EDA Playground, MATLAB and Visual Code Studio
- **Operating systems:** Linux and Windows.

Awards and Honors

- Awarded with Dr. Anwarul Abedin Scholarship Grant for Female University Student at American International University- Bangladesh in Academic Semester Fall 2019 – Fall 2022
- Placed on the Dean's Honor List for 5 semesters(GPA > 3.75/4.00) at American International University- Bangladesh
- The Duke of Edinburgh's Award (Gold) | 2021-2022
- Champion at a poetry recitation of "*Poetry in images and verses*" at AIUB | 2018

Training and Leadership Experience

- Team Leadership and Supervision | Supervised 7 trainee Engineers | 2023–2024
- Public Speaking and Communication | Conducted presentations and recruitment training | 2022–2024
- Safety Training | Samsung C & T Safety Academy | Nov 2021
- Virtual Exchange Program In Indonesia | Participant | Sep 2020
- AIUB Community of Engineering Students (ACES) | Alumni Coordinator | 2018-2021
- ESAB | Event Manager Committee Member | 2020-2021
- SONGKOLPO FOUNDATION | Campus Ambassador & SV Committee Member | 2021-2022
- ICREST | Volunteer | AIUB | 2019, 2021
